# A Day in The Life of Jesus

**Max Dawson** · Mark 3:1–30 · Series: **Meeting with Max Dawson**

## INTRODUCTION

- Do you ever wonder what it would have been like to have lived during the time while Jesus was here on the earth during his ministry?
- Why did people fight against a man who came only to do them good?
- As we journey with Jesus through this one day, I want us to see four reactions to the Lord and to his work.

## 1 Kill Him Because He Is a Sinner

**Mark 3:1–6; John 5:16; Exodus 20:8–11**

- Then the Pharisees went out and immediately plotted with the Herodians against him how they might destroy him.
- First of all, let's understand that the Sabbath was Saturday, the seventh day of the week.
- Secondly I want us to understand that the Jews had made up rules about the Sabbath that they expected other men to observe.
- Jesus was not much for keeping these man-made rules, especially if those rules meant that God's will could not be carried out.
- The Sabbath laws that God gave were not designed to prevent someone from doing good or from saving a life.
- Rather than fighting to kill such a person, they ought to be sitting at his feet and hearing his teaching.

## 2 Follow Him, He Is Powerful

**Mark 3:7–12; Mark 3:13–19**

- While the religious leaders could only find fault in Jesus, the common people reacted very differently.
- So many people have come to Jesus to hear what he has to say. They've thronged about him to where his life is in danger.
- There are thousands and thousands of people who have gathered around Jesus because he performs miracles that no other person can do.
- Then he appointed twelve that they might be with him and that he might send them out to preach and have power over to heal sickness and to cast out demons.
- The people in the Bible are real people. These events are things that actually did take place.

## 3 Pity Him for He's Crazy

**Mark 3:20–21; Mark 3:31; John 7:5**

- But when his own people heard about this they went out to lay hold on him for they said he is out of his mind.

- The miracles of Jesus were always of such a nature that it was plain to everybody that supernatural acts were being done.
- There are no tricks with Jesus. That's why people have thronged.
- They probably thought that Jesus was acting with disregard for his own personal safety.
- In John chapter 7, I believe it is in verse 5, it says, even his brothers did not believe on him.
- What do you think about people in the church that you see who spend a lot of time in the course of every week teaching others the word of God?

## 4 Reject Him, He's Possessed

**Mark 3:22–30**

- The scribes who came down from Jerusalem said, He has Beelzebub, and by the ruler of the demons, he cast out demons.
- How could Satan cast out Satan? If a kingdom is divided against itself, that kingdom cannot stand.
- He who blasphemes against the Holy Spirit never has forgiveness, but is subject to eternal condemnation.
- Jesus therefore must be acting by the power of God and cannot be acting by the power of the Beelzebub.
- When men don't have the truth, well, all they have are lies and false charges.
- In spite of all this, the multitude still gathered around Jesus.
