Attitudes Toward Jesus

Joseph Casimier · Series: **Meeting with Joseph Casimier**

INTRODUCTION

- Jesus said, I am the bread of life. He that cometh to me shall never hunger, and he that believeth on me shall never thirst.
- There were different attitudes concerning Jesus back in those days. And of course, there are different attitudes towards Jesus today.
- A renewed commitment to Jesus is a renewed commitment to the Bible. For the integrity of Jesus gives credibility to the Bible.

1 Jesus Is the Creator

John 1:1–3; Colossians 1:15–17; Genesis 1:1

- In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God.
- All things were made by him, and without him was not anything made that was made.
- John's account reveals to us that Jesus Christ is the Creator.
- For by him were all things created that are in heaven and that are in earth, visible and invisible.
- If Jesus was created by God or the firstborn of God's creation, this text tells us that Jesus created all things. Did he create himself?
- Jesus existed from eternity past, and he always will, because he is eternal.

2 Jesus Is Also the Savior

Matthew 1:21–23; 1 Timothy 3:16; Ephesians 1:7

- You shall call his name Jesus, for he shall save his people from their sins.
- What is the name Jesus means? It means Savior.
- They shall call his name Emmanuel, which is being interpreted, is God with us. That's God. That's God in the flesh.
- Jesus did not come to this world to make this world a better place. Jesus came to save people from their sins and to deliver us from the horrors of hell.
- Great is the mystery of godliness. God manifest in the flesh.
- In him we have redemption. The forgiveness of sins through his blood according to the riches of God's grace.
