Bumby Bible Questions 16

Ken & Gregory

INTRODUCTION

- Every fourth Sunday morning will be our QA time, and we've come to that time again.
- We've actually used some of these questions outside the QA period and just done entire sermons on them.

1 The Different Types of Law in the Old Testament

- There is not what we'd call biblical terminology that perfectly segments the law into all of these categories.
- So you have a civil law, kind of in how we relate to one another, a ceremonial law and how we relate to God, and certainly a moral law that kind of undergirds all of it.
- These are generally agreed upon, but they are made by man.
- They were God's vehicle through which to fulfill the promises in Christ. And so many of these laws or regulations had some kind of foreshadowing element to them.

2 The Law of Moses Is the Law of God

Nehemiah 10:29; Nehemiah 8:1; 2 Chronicles 31:3

- Enter into a curse and an oath to walk in God's law that was given by Moses the servant of God, and to observe and do all the commandments of the Lord.
- The law of Moses is synonymously used as the law of the Lord.
- All of those laws were given by the same God to the same people and considered part of the same covenant.
- We can't make a distinction between the law of Moses and the law of the Lord or the law of God in regard to this old covenant.

3 Every Part of the Old Law Done Away

Galatians 5:3–4; Romans 7:2–6; Matthew 5:17–18

- Who are all of these commands for, whether it be ceremonial or civil. It was for Israel.
- I testify again to every man who accepts circumcision, that he is obligated to keep the whole law.
- You also have died to the law through the body of Christ, so that you may belong to another, to him who has been raised from the dead.
- Every part of that old law was done away with at the cross, and we now live under the new law, which is that law of liberty given in Christ Jesus.

4 Were We With God Before Our Physical Birth?

Jeremiah 1:5; Ecclesiastes 12:7; Zechariah 12:1

- Is our spirit eternal going backwards? Has it always existed, or did it come into existence at the same time as our physical form?
- Before I formed you in the womb, I knew you. And before you were born, I consecrated you.
- The dust will return to the earth as it was, and the spirit will return to God who gave it.
- Who stretched out the heavens and founded the earth, and formed the spirit of men within him.

5 God Makes Us, Both Body and Soul

Psalm 139:13–16; Genesis 2:7

- What we do know is there was a time at which we had to be formed.
- The Bible is also clear on this point that God makes us, that we are the result of the work of God. Both body and soul.
- God knew every one of us in the sense that his foreknowledge knew of our creation, knew of our being coming into existence.
- He breathed into him the breath of life, giving him a soul or a spirit.

6 Jesus' Preexistence Makes Him Unique

John 1:1; John 1:30; Matthew 25:46

- One of the things that was noted about him in his uniqueness was his preexistence.
- In the beginning was the word, and the word was with God, and the word was God.
- There's no passage in Scripture that speaks to our unique quality of having that pre existence.
- These will go away into eternal punishment, but the righteous into eternal life.
